**Scientific Credibility of Government Public Health Advisory Committees
HOD 123-03**

Source: House of Delegates
Action: Adopted as Amended
Type: Resolution

Resolved #: 1

Policy:

That CMA urge government officials at all levels to follow the existing guidelines set forth in the Federal Advisory Committee Act pertaining to the membership on scientific and public health advisory committees, and to develop more specific criteria related to scientific expertise, financial disclosure, conflict of interest and diversity.

Resolved #: 2

Policy:

That this matter be referred for national action.
